

TEXAS FLAGS EXHIBIT

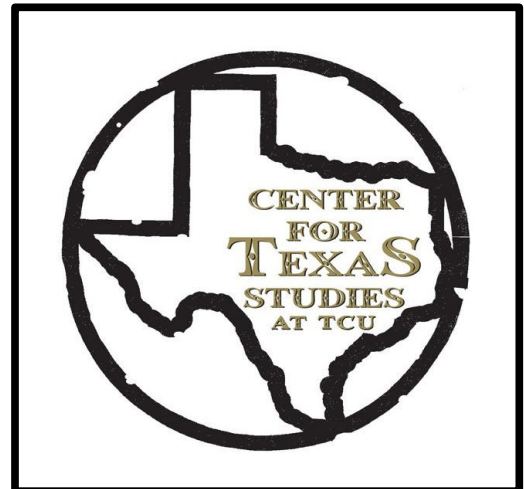

DESIGN YOUR OWN TEXAS FLAG

Have students use the following template to design their own flag for Texas. They should choose the colors and symbols that they believe stand for Texas or that makes Texas special to them. Next, have them write a statement explaining why they chose the colors and symbols that they did.

Please send outstanding examples of these student-drawn flags and their explanations to be included on our Center for Texas Studies at TCU website.

They can be mailed to:

Center for Texas Studies at TCU

Or e-mailed to texasstudies@tcu.edu
